

## 1. RADIO WAVES INTERNATIONAL's life.

From early 2023 until today 2024

All started when I had pain in my back for few month , on March 1st I went in emergency to hospital, I Went back home on the evening, Then return to hospital ,on the following week-end March 4th & 5th then back home on the evening .On Monday morning the 5th i woke up but I lost the use of my legs so i went back in hospital ,on the evening i got a surgery operation with a 20cm opening in my back vertebraes 6 to 9.The pain has disappeared ,I stayed in two different hospital with kine so I could move my legs but not standup and walk,on June 15h I moved to north of Paris to be near my family,(We have à New postal address update on our website [httpwww.wrwi.fr](http://www.wrwi.fr)) in a home for old People (I'm only 68), I'm in a wheelchair and continue kine, that's life. I couldn't stay in my flat at 4th floor without lift, I'm rebuilding a small New recording studio in my small room.

1 Tape recorder, 1 single CD player used for jingles, 1 double CD player for music, 1 mixer Table, 1 Mic SHURE & 1 headphone SENNHEISER & a computer.

So I've just restart programs to celebrate our 40th birthday on the airwaves relay via Radio Channel, on December you can listen to our special Christmas programs 292 ,schedule is available on <http://radiochannel292.de>,

on week-end we can be heard via websdr in Twente from The Netherlands for People without short waves receiver. Then Radio Channel 292 was off air due to the operator's broken leg (During work on antennas).

Our broadcast restarted at the end of January on 9670 kHz 31mb with a replay of two Christmas shows.

We are now back on 6070 kHz 49mb.  
Thanks for your support.
